

Choose one of the following monologues if you would like to audition for a “good” character in the show

Tumnus- A faun. Tumnus is being forced to work for the Witch but is a very good faun at heart.

Fenris Ulf told me I must stay here and watch for a human, and if one comes, I must capture it and take it to the Queen. Oh dear, how did I ever get myself into this fix? My father would be so disappointed in me. Oh, well, if I am lucky maybe a human will never come this way. (A pause) But if one does, I can take it to the Queen, and she will reward me. But that would be wrong- I think. Oh, I am perplexed-as usual. I don't know what to do- except what I usually do when I am perplexed. Play my pipe.

Unicorn- One of the good forest animals

We must hope that our King returns to Narnia. Only Aslan can defeat the evil Witch and end her cruel reign. The wicked Queen keeps our land forever in winter, we creatures of the forest are cold and afraid. I would be honored to go into battle against the Witch and her minions (pause) we good creatures of the forest need a leader to unite and guide us. Oh, if only the prophecy that tells of humans arriving in Narnia to defeat evil and rule with goodness and strength were true. Narnia was a magical place; may it one day return to its former glory.
