

**Choose one of the following two monologues if you want to audition for an evil character in the show**

**Dwarf-** One of the Witches evil minions

The Queen deserves respect from all the woodland creatures. They should bow down to her mighty power. (pause)It is getting warmer and the snow is melting, the reindeer will no longer be able to pull her majesty's sled thru the forest without the snow. I fear Aslan has returned and spring is coming. If this is true then there will be a great battle but the Queen will be victorious. I must search for the humans; I will find them and bring them to the Queen and she will reward me for my loyalty.

**Fenris Ulf-** A bad wolf who is head of the Witch's secret police

Why has that fool Tumnus left his post.....

(Looking at the tracks on the ground left by Tumnus and Lucy)

Wait, from the looks of these tracks, Tumnus was here ( pause) and so was a human! These tracks lead AWAY from the Queen's palace.

(stops looking at tracks)

Tumnus, your treachery has been detected, these tracks tell the story. You had a human in your grasp and you led them to safety..... or so you think you and the human are going to be safe. I will hunt you down and when I find you, I will take you to the queen and she will punish you for your disloyalty. I will order your house destroyed! You won't be needing it any longer, betrayer of the Queen.
